

CURRICULUM VITAE

NANCY KASER-BOYD, Ph.D., A.B.A.P.
Clinical and Forensic Psychologist

Telephone: (818) 506-0719
Telefax: (818) 506-0638

Licensed in California [P.S. 007231]
Board Certified, Assessment [American Board of Assessment Psychology]

CURRENTLY:

Private Practice; clinical and forensic psychology, psychological assessment of adults and children;
12725 Ventura Blvd., Suite K, Studio City, California 91604.

Associate Clinical Professor, Neuropsychiatric Institute, U.C.L.A.

EDUCATION:

Undergraduate: B.A. in Psychology, 1973
Pacific Lutheran University, Tacoma, Washington

Graduate: M.A. in Clinical Psychology, 1979
Ph.D. in Clinical Psychology, 1980
University of Montana, Missoula, Montana

Clinical Internship, 1979-80
Los Angeles County-University of Southern California Medical Center, Los Angeles

Selected classes, Law School, University of Montana, 1980.

Postdoctoral: Fellowship in Forensic Psychiatry, University of Southern California School of Medicine, Institute of Psychiatry and Law, 1980-81

HONORS AND AWARDS:

- Outstanding Superior Court Panel Expert for 2004, awarded by the Juvenile Courts Bar Association, Los Angeles County.
- Outstanding Superior Court Panel Expert for 1998, awarded by the Juvenile Courts Bar Association, Los Angeles County.

Nancy Kaser-Boyd, Ph.D., page 2

- University of Montana Psychology Department commendation for outstanding graduate work, 1978.
- University of Montana, Bertha Morton Fellowship for academic record, published works, honors received, and evidence of creative activity, 1978.
- University of Montana Psychology Department commendation for outstanding graduate work, 1979.
- National Institute of Mental Health Fellowship, 1976.

PROFESSIONAL BACKGROUND:

2000 -	Associate Clinical Professor, Neuropsychiatric Institute, U.C.L.A. Psychodiagnostic seminars to interns and postdocs; guest lectures and rounds to Psychology doctoral interns and Psychiatry residents; supervision of psychological assessment cases.
1990-1999	Assistant Clinical Professor, Neuropsychiatric Institute, U.C.L.A. (a) Team Leader, Outpatient Residents and Interns Supervision Group; (b) Psychological assessment seminars, and supervision of inpatient psychological assessments.
1982-Present 1996-Present	Member, 730 Expert Panel, Los Angeles Co. Superior Court, Dependency Member, 730 Expert Panel, Los Angeles County Superior Court, Criminal
1989-Present	Lecturer, University of Southern California, Department of Psychology. Teaching Psychological Assessment to graduate students in the doctoral program in clinical psychology.
1989-1994	Visiting Lecturer, West Los Angeles, Veterans Affairs Medical Center, (Brentwood). Teaching a four-part seminar on advanced personality assessment (focusing on the assessment of DSM-III-R Axis-I and Axis-II disorders with the Rorschach and the Millon Clinical Multi-axial Inventory-II).

Directed all aspects of internship training and taught year-long seminars on psychological assessment, ethics, and contemporary psychological issues
August 1985- July 1988	Director, Assessment Service, U.C.L.A., Psychology Department. Duties: Operated a direct-service assessment clinic for the psychological assessment of a range of referral questions for children and adults; budgeting and hiring, teaching and supervision of staff and graduate students in Clinical Psychology.
1983-1987	Assistant Clinical Professor, U.S.C. School of Medicine. Training and supervision of clinical psychology interns at Los Angeles County-University of Southern California Medical Center, Child Outpatient Department.
1981-1985	Staff Psychologist and Lecturer, Fernald School, Psychology Department, U.C.L.A. Training and supervision of clinical psychology graduate students in psychotherapy and psychological assessment; research on issues in child clinical psychology; provision of direct services to children and adolescents with learning and behavioral problems.
1983	Adjunct Assistant Professor, Fuller Graduate School of Psychology. Taught graduate course on projective testing and the Rorschach (Exner System).
January 1982	Completed requirements for licensure in California, License P.S. 7231.
1980-81	Post-Doctoral Fellow and Clinical Instructor in Forensic Psychiatry, U.S.C. School of Medicine, Institute of Psychiatry and Law. Training in theory and practice of forensic psychiatry. Psychotherapy with

Nancy Kaser-Boyd, Ph.D., page 4

offender groups; psychological evaluations for juvenile and adult courts addressing issues of competence, insanity, diminished capacity, juvenile

fitness and child custody; court testimony; staff psychology duties at Terminal Island Federal Penitentiary; supervision of psychology and law school interns; and coursework in applied family, civil, and criminal law.

1979-80 Clinical Psychology Intern, Los Angeles County-University of Southern California Medical Center. APA-approved training with inpatient and outpatient adults and children. Electives in the intensive inpatient treatment of adolescents, psychological consultation to minority schools, and the assessment and treatment of child abuse.

1976-79 Psychologist in training, Clinical Psychology Center, University of Montana. Training in outpatient individual, group, and family therapy, for a variety of psychological problems. Carried approximately 10 weekly clinical hours per academic quarter.

1978-79 Clinical Team Leader, University of Montana Psychology Clinic. Supervised less advanced graduate students in psychotherapy and psychological assessment, and assisted in leading clinical case conferences.

Summer 1978 Psychology Trainee, Long Beach Veterans Administration Medical Center. 500 hours on four rotations, with training in admissions, inpatient psychiatry, and psychological interventions with chronic pain and spinal-cord injuries.

1978-79 Lecturer in Abnormal Psychology and Women's Studies, University of Montana.

Summer 1977 Psychology Trainee, Vancouver, Washington, Veterans Administration Medical Center. 500 hours of training in individual and group psychotherapy with inpatients and outpatients; special emphasis on psychological assessment.

1976-77 Clinical Psychology Assistant, Western Montana Regional Mental Health Center. Performed psychological evaluations on children and adults. Administered standard psychodiagnostic test batteries and clinical interviews, presented cases to an interdisciplinary team for discussion and formulation of recommendations and prepared written reports for the team. Many cases were Court-referred.

Nancy Kaser-Boyd, Ph.D., page 5

CONSULTANTSHIPS:

Criminal, Civil, Juvenile, and Family Courts; forensic evaluations and expert testimony:

Criminal Courts (State and Federal):

Evaluations of mental state for competence to stand trial, insanity, dangerousness, and factors in sentencing; expert testimony regarding psychological tests and the malingering of mental disorder. Member 730 Panel, Los Angeles County Superior Court (Criminal).

Civil Courts:

Psychological assessment of cognitive and emotional state of civil litigants.
Expert testimony regarding the malingering of emotional distress.

Juvenile Dependency Courts:

Member of 730 Expert Panel, performing evaluations of children, adults, and families, on issues of child abuse and neglect.

Family Court:

Evaluations for child custody.

California Board of Prison Terms:

Independent Examiner, performing psychological evaluations of mentally ill inmates, evaluating "readiness" for release and present dangerousness.
[1987-1995]

U.C.L.A. Psychology Department, Sexual Abuse Project:

Consultant on research design and analysis of results of assessment measures of sexually molested preschool children. [1986-87]

Guest Editor, Journal of Personality Assessment (1995 - present)

Guest Editor, Assessment (1999 - present)

Review selected articles submitted to these journals for publication.

MEMBERSHIPS:

American Psychological Association (1979-present).

Society for Personality Assessment (Joined in 1988; elevated to Fellow in 1994).

Nancy Kaser-Boyd, Ph.D., page 6

California State Psychological Association (Joined in 1982).
Los Angeles County Psychological Association (Joined in 1986);
Member, Forensic Committee (1988)
Los Angeles Society of Clinical Psychologists (Board Member, 1985-87).
California Attorneys for Criminal Justice (Associate Member, since 1987).
American Professional Society on the Abuse of Children (Joined 1990).
Medical Staff, Inglese Hospital (1984-1989).

RELATED PROFESSIONAL ACTIVITIES:

- 1989-2002 Oral Examiner. State of California, Psychology Examining Committee.
Sit for Biannual oral examination of psychologist applicants for state licensure.
- 2001- Consultant/Trainer, Senate Bill 799, Habeas Petitions for Incarcerated Battered Women
- 1977 Project evaluator for federally-funded public conferences on the community treatment of the mentally and physically disabled and on violence and women.
- 1973-75 Assistant Director, Montana Committee for the Humanities.
Provided liaison between the National Endowment for the Humanities and community groups wishing to organize programs to bring the perspective of the humanities to social issues.

RESEARCH ACTIVITIES:

- 1997 - Malingering of Battered Woman Syndrome, a study of symptoms and feigned symptoms on the Millon Clinical Multiaxial Inventory.
- 1994 - Rorschach studies [women who kill, L.A. riot victims, trauma studies]
- 1986-1989 Cognitive and emotional effects of toxic exposure. Collaborating with Steven Rottman, M.D. (U.C.L.A. Medical Center), John Alexander, M.D. (Western Center for Hyperbaric Medicine), and Timothy Cannis, M.D. (Northridge Hospital).
- 1983- Study of women who commit homicide. Analysis of a sample of 60 cases of female homicide in Los Angeles County.
- 1981-84 Children's attitudes toward and competence to consent to psychotherapy. Collaboration with Howard Adelman, Ph.D., and Linda Taylor, Ph.D., Fernald School, Psychology Department, U.C.L.A.
- 1980 Dissertation research. The effectiveness of teaching parenting skills to abusive parents through weekly home visits and individually-designed child-management

Nancy Kaser-Boyd, Ph.D., page 7

plans. Changes in abusive parenting were measured using an in-home family recording system designed for the project.

- 1979 The battered woman syndrome. Research team member, NIMH-funded project; Lenore Walker, Ph.D., Principal Investigator.
- 1976-79 The relationships between children's television advertising and food preferences. Research team member, National Science Foundation-funded project; Balfour Jeffery, Ph.D., Principal Investigator. Six studies of children's responses to television advertising, and master's thesis.
